

Wonderful experience! In the small village in Bucerias in Nayarit! A patio restaurant amongst tropical plants while listening to live jazz by owner Armi Granno! Armi is from Vancouver BC and owns and operates this quaint restaurant with fabulous food and will also cater to customers' needs for meals! We asked for gluten free options! The chef altered the coconut crusted shrimp and it was delicious! The live music with Armi is the final

Touch to a truly wonderful evening! A must when in Puerto Vallarta! – **IGP, Sechelt, BC**

We think the best breakfast in Bucerias is to be had at Encore. Food, service, price, ambience - all first rate. They serve great coffee and cappuchinos - which can be really hard to find outside of just a coffee stand. Their rib eye steak and eggs with chilaquiles is a treat, as is the eggs benedict. The portions are very generous, and nicely prepared and presented. The waiters are a great bunch of professionals, and the kitchen staff seem to get along great - it has a very pleasant vibe. – **B.H. Victoria, BC**

Fantastic Thanksgiving! My wife hurt herself so we had to order their dinner to go. It saved the day. The turkey was cooked and cut perfectly. The side dishes made us feel like we were home in New England. - **RStan, South Egremont, Massachusetts**

Lovely atmosphere, nice soft jazz, great food, and superior service. A jazz trio joins the owner, Armi Grano, to entertain on Wed and Fri evenings. Reservations highly recommended for those days. My wife made a meal of a couple of very nice appetizers, while I had the marvelous freshly made ceviche followed by mahi mahi. A very extensive menu. – **Lofter, Medecine**

Encore is a delightful place. The atmosphere is great and the food was outstanding. Armi, the owner, makes you feel like a friend and her voice is so smooth and wonderful – **SO, Oregon**

The bottle wine we started was reasonably priced and proper temperature. I started with the mixed salad and it was tasty and nice size. My wife had the breast of chicken - it was nicely prepared with the vegetables and potato well prepared. I had the curry shrimp dish and it too was very good. We'll back for another dinner before we leave Nuevo Vallarta. My wife said it was the best meal she's had since we have been here in the last week. We make a point of trying a different restaurant every night at Bucerias. -**MC, Coquitlam, B. C.**

Spent a fabulous New Year's Eve at Encore. Live jazz and a delicious meal served by a wonderful staff. A memorable evening! -**N.R, Regina, Canada**

Try the curry! Everyone at our condo complex has been raving about this restaurant, so we decided to give it a try on our last night of vacation. It was one of the best meals we've had. Things started great when our ice cold beers were served in chilled mugs. It just got better...-**KB, Lake Tapps**

We enjoyed our Canadian Thanksgiving with Armi and her staff at the very welcoming Encore Restaurant. Everything was superb, from the impeccable service to the delicious meal while listening to live Jazz. A great place to

celebrate those special occasions. The ambiance at Encore just makes you want to linger after dinner. – **CH, Vancouver**

Encore has everything I like when dining out. The setting is in a beautiful garden, it's a classy white-tablecloth restaurant with excellent food and service, soft jazz in the background and a live vocal performance from the owner, Armi Grano. I've had delicious steaks that were perfectly prepared to order and a dining companion really liked her Thai Shrimp. I was pleased when Armi stopped at our table and chatted with us for a few minutes, a nice personal touch. – Review by **ElenamexMay 2012**

Armi Grano is a passionate jazz artiste and puts on a great show. The restaurant is very nice at this new location and the food is excellent. Photographs of famous jazz artists adorn the walls of this sunken garden oasis where you can dine and dance in a very romantic setting. It is advisable to book a table as this is not a large venue, rather nice though as it makes for more intimacy - almost like being a private audience. Give it a try - you deserve the best. – Review by **GordonandBarbaraMay 2012**

Very pretty setting, which was elegant but relaxed. The staff were very attentive and the food good. Our dinner was accompanied by Armi's beautiful singing. We will return....- **Jennifer Oct 2012**

This may be the only true lounge in Bucerias. The entertainment is top-notch, and the food we had was good. Great location, too.- Review by [Annclave Nov 2011](#)

Encore serves up great foods with a wonderful side of highly talented jazz musicians entertaining the diners most nights. The steaks are wonderful -- and as an added bonus, Encore is open for breakfast - we had "Johnny Special" which was tasty and filling! – Review by [Rosewater99 May 2012](#)

The music was such a great accompaniment to a lovely dinner and evening. We did breakfast and dinner twice and will definitely be back during our next visit. The service was friendly and right on target with reasonable prices. Armi just makes you sway to her music and smile. We have been coming to Bucerias for 20+ years and know that Encore is truly a lovely, welcome addition. Try the huevos rancheros for breakfast, fresh fish of the day at dinner and key lime pie to die for.- Review by [Haywardb Mar 2012](#)

As a female on my own in Bucerias I have always felt comfortable walking into this venue since my first warm welcome soon after it opened. Armi and her husband, John, are superb hosts and the jazz trio first class. Armi is among the best jazz singers I have had the great fortune to listen to, in a live performance, and I feel very lucky to have Encore within walking distance of my condo. – Review by [Janet Mar 2, 2011](#)

Lovely experience, the food was exceptional, the ambiance and music was relaxing with a jazz trio and singer. There is a full course menu including a children' menu. All the food was excellent, appetizers, mains, and desserts, quiet romantic setting, very pleasurable, will return, a must visit for all – Review by **Glen D Jan 2012**

Best on the Bay! Been there several times with many friends and we all look forward to going back next winter. Armi and John have done a great job with this new Encore setting and menu. Great host and hostess, superb service and the best entertainment on Bandaras Bay. - Review by **Frank M Feb 2012**

Food, service and music, all A+.A varied menu, our mahimahi & April salad were excellent. Key Lime a real standout. The staff is friendly and well trained. This restaurant is in the top rank here in Bucerias, but the prices are not as high as some.- Review by **jrandalicia Feb 2012**
